**Dear August Scholars Applicant:**

We are happy that you are thinking about August Scholars. It is a 3-week summer program that will help you be ready for school in September. In the mornings, we will help you improve your skills in math, reading, writing and vocabulary. In a classroom with about 12-15 students and two adults, you will get lots of help and we are sure you will see—and enjoy—your stronger skills.

In the afternoons we will be doing fun activities, such as recess, indoor games, art classes, singing if you are going into grades 3 or 4, and drumming if you are going into grades 5 or 6. There will be a big performance for parents and friends on the last day.

**Please tell us about yourself by answering these questions. Circle 'Yes' or 'No.'**
